UNIVERSITY OF ILLINOIS AT URBANA – CHAMPAIGN

PETITION FOR EXEMPTION FROM THE REQUIREMENT OF PUBLIC ACT 85-1315,
MANDATORY PROOF OF IMMUNIZATION TO VACCINE PREVENTABLE DISEASES
ON RELIGIOUS GROUNDS

The Student Statement Describing His/Her Objections to Immunization
Based Upon Bona Fide Religious Tenets or Practices
(To Be Completed By A Parent Or Guardian if the Student is Less Than 18 Years Of Age)

I affirm that the statements made above truly reflect my beliefs and practices. I understand that should an outbreak of a vaccine preventable disease occur on campus or in the community, I may be required to curtail my normal activities and may be asked to avoid contact with other people in the interest of public health. I further understand that should I contract a vaccine preventable disease, I will hold the University harmless and will comply with any and all limitations placed upon me by the University of Illinois or Public Health Officials. I understand that I will be treated no differently than any other person who has not demonstrated immunity to vaccine preventable diseases.
